

Free Slideshare Presentation, Called 10 Ways to Do More With Less Presents Fresh Ideas on Improving Organizational Efficiency Through Smarter Use of Management Software Systems

NEW JERSEY (April 1, 2011) - [Third Wave Business Systems](#) is proud to present a free presentation called “10 Ways to Do More With Less”. The presentation, which is freely available on slideshare.net, presents how to run your business more efficiently to keep pace in an increasingly competitive world.

Produced by Third Wave CEO Korey Lind, the presentation covers how to work more efficiently, cut costs, improve customer satisfaction and stay ahead of the competition in 2011. Business Management systems can be leveraged to automate tasks, enable executives to manage by exception, and improve overall communications. The full presentation is available at: <http://www.slideshare.net/twbs/10-ways-to-increase-it-efficiency>
