

## SAP Presents Third Wave Business Systems with 2010 Software Solution Partner of the Year Award

**NEW JERSEY (April 15, 2011)** - Third Wave Business Systems is proud to receive another major recognition from SAP for Sales Excellence as a Software Solution Partner. SAP recently announced the recipients of their 2010 Software Solution Partner Awards for the SAP® Business One application. The awards honor and recognize in 10 different categories SAP Business One partners that have excelled in providing companies with outstanding software solutions based on SAP Business One. Winners were selected based on criteria that comprise quality, innovation, sales excellence, partner support and programs, as well as industry solution expertise. This year, award recipients were chosen among approximately 200 software solution partners globally that have developed over 500 solutions that integrate with SAP Business One.

Third Wave Business Systems is recognized as a Microsoft Gold Certified Partner, SAP Business One Gold Partner, and SAP Pinnacle Award recipient. Third Wave has been an Accounting Technology “Top 10 VAR” every year since 2002. In addition to delivering superior business management system solutions, Third Wave is a top developer of SAP Business One add-ons for that provide functionality for specific business needs.
